

Have a Heart Back to School Supply Drive

With tighter budgets than ever, many local public schools will be starting the school year with little or no money in their budgets for school supplies. Since many of our schools serve students who are homeless or low income this places an even greater burden on their families.

To help meet this need the HPKCC Schools Committee is organizing a **Back To School** supply drive. For a \$10 donation you can provide pencils, pens, markers, crayons, spiral notebook and filler paper for one child.

The committee will accept monetary donations through **Wednesday, September 5th**. Supporters can donate online at <http://www.hydepark.org/programs/schools.html> or mail a check made out to the Hyde Park Kenwood Community Conference-Supply Drive to:

**Hyde Park-Kenwood
Community Conference**

1525 East 53rd Street, #907
Chicago, IL 60615

All donations will be used to purchase supplies which will be distributed to the participating Hyde Park/Kenwood public schools. Questions? Contact Nancy Baum at HaveAHeart2012@gmail.com

Sponsored by the Hyde Park-Kenwood Community Conference Schools
